

30-Day CSI/A-TSI Action Plan for Local Leaders

Who is this plan for?

Local leaders of districts where one or more schools were identified as needing comprehensive support and improvement (**CSI**) or additional targeted support and improvement (**A-TSI**) under Pennsylvania's ESSA Implementation Plan.

What happens now?

Here are four steps you can take in the next **30 days** to make sure you and your members have a seat at the table:

1. Learn About ESSA

- **PSEA's ESSA website:** www.psea.org/essa
- **PDE's ESSA website:** www.education.pa.gov/K-12/ESSA

2. Build a Team

- **Recruit** your team of volunteers to serve on an ESSA committee before the district decides on an ESSA-mandated team of its own
- **Encourage** your ESSA Team members to participate, attend school-improvement workgroup or committee meetings, and provide feedback

3. Get Involved

- **Meet** with school administrators to identify how your ESSA team can be engaged/involved in the planning process

4. Keep PSEA Informed

- **Share** the names of your committee members with us at www.psea.org/csitsiform
