**Effective Reading**
*Presenters: Dr. Chris Clayton, PSEA Education Services*

This session will present educators with information and tools to support reading instruction across the content areas. It includes a variety of specific strategies & take-away resources that content area teachers can immediately build into lesson planning and actualize in their instruction.

**High Yield Math Routines K-8**
*Presenters: Erin Minick/Jen Brosky, CAIU Members*

These strategies incorporate the 8 Math practice standards into easy to implement class routines. Routines are easy to use as warm-up or closing activities. Focus on number sense and foundational math skills and are crucial to understanding more complex skills.

- Located at PSEA Southern Region Office
- 5:00-5:30 pm - Dinner
- 5:30-7:30 pm - Program
- For EA Members
- Eligible for Act 48
