

Annual Meeting

(Reminder — If you are an elected delegate to the ESP House of Delegates, you are encouraged to attend this meeting.)

This is your last chance to attend a division activity this year.

ESP policy states: To be eligible for local assistance, a local representative is requested to attend at least one division meeting per year. If your local does not abide by this policy, you may find your local paying for its own arbitrations.

AND

Developing New ESP Leaders

presented by Chad Roth, PSEA-NEA UniServ Representative, Eastern Region

**How to develop future
leaders?**

Is your local faced with the challenge of recruiting and developing new leaders due to retirement, burnout, resignation, or election turnover? Replacing an existing leader's experience, intuition, and rapport with members and administration can be a major setback to progress — especially within ESP Locals. This session will focus on

strategies to organize, identify, recruit, and train the next generation of leaders to make sure your local leadership is prepared to address the many challenges facing ESP locals.

BONUS...we'll have materials/information needed to assist your local in the early enrollment program!
