

# Drug Use in Our Schools: What Educators Need to Know

*Presented by: Terrie Taylor, LSW, SAP Specialist, Caron Treatment Centers*

This presentation will cover behavioral and academic indicators of substance use, the cycle of addiction, and current drug trends, including opioids, vaping and marijuana. Discussion will include how marijuana is used in various forms; various types of vaping, and why this trend is so dangerous for our youth. A question-and-answer period will also be provided.
