

## Advocacy Day on the Hill

Be a part of the conversation with your  
Mideastern Region colleagues!

June 23, 2020

Join your colleagues from Mideastern Region in Harrisburg on June 23<sup>rd</sup> to meet with your legislators or their staff before the budget is finalized and other important policy decisions are made. This is a great opportunity to build and maintain your relationship with the legislators representing you in the PA House and Senate.

Travel expenses will be reimbursed and PSEA will schedule your legislator meetings for you prior to your arrival. If needed (traveling more than an hour and a half to Harrisburg), overnight accommodations can be made for June 22<sup>nd</sup> – or you can choose to drive to Harrisburg for the day.

We will meet at PSEA Headquarters at 8:30 a.m. for breakfast followed by a briefing by PSEA Government Relations Staff. Talking points and handouts will also be provided.

To register, visit:
