

# PENNSYLVANIA STATE EDUCATION ASSOCIATION Southwestern Region Collective Bargaining Conference

The Southwestern Region Collective Bargaining Committee invites local Presidents, Negotiation Chairs, and negotiations' team members to attend the Collective Bargaining Conference.

## NAVIGATING THE IMPACT OF COVID-19

The focus of this year's Collective Bargaining Conference will be Navigating the Impact of COVID-19. This Zoom presentation will highlight the ways that the pandemic has changed education and examine how to handle these changes moving forward into the new school year and beyond.

We will begin with a broad overview of what has occurred around the Region and across the state to keep students learning amid COVID-19 shutdowns and mitigation orders. We will then focus on concerns moving forward and bargaining the impact of the remote learning and hybrid schedules.

We would like this conference to be as interactive as possible, so please bring a list of "worries" you have moving forward in a post-pandemic educational world. We will utilize Zoom breakout rooms to give attendees the opportunity to share experiences and formulate plans that can be shared with the larger group. We want to give all attendees the opportunity to be heard on this very important and relevant topic.
