# *Virtual Will and Healthcare Documents*

For many years, PSEA/NEA has provided members with full legal protection in employment-related matters, but in today's complex world, many of us find that we need additional legal and tax saving advice.

The PSEA/NEA has designated Martin Herring as the official provider for drafting wills in this region.

Attorney Martin Herring generally holds appointments in the Eastern Region Office. Due to the current COVID-19 pandemic, Attorney Herring will be holding virtual and/or telephonic meetings on the dates listed below to provide **document preparation services** for members of PSEA. The "Package" includes a Will, Advanced Health Care Directive, and Durable Power of Attorney.

Included in this program is a free planning kit to advise family and loved ones about your wishes, desires and personal information.
