Requests for use of the Education Center and meeting rooms are to be made through the UniServ Rep, Committee Liaison, or Region Field Director for general meetings. That person will then let the appropriate Associate Staff person know, so it can be added to the meeting room calendar.

The Education Center is the primary meeting room area. Other rooms will be available only after the Education Center has been booked.

Food is permitted to be served only in the Education Center and kitchen areas.

Staff will do whatever possible to deal with unusual and/or emergency situations.
