601 Bethlehem Pike, Building "C"  
Montgomeryville, PA 18936

**Registration & Light Dinner**  
**Workshop**

**5:30 p.m.**

**6:00 p.m.**

**Balanced Assessment & Empowering Student Ownership of their  
Learning through Metacognitive Strategies Connected to their  
Assessment Data**

**Presented by Chris Clayton, PSEA's Asst. Director of Education Services**

Participants will take home strategies and techniques about creating and implementing a balanced assessment approach in their classroom to generate specific student data that informs both the teacher and each respective student about their strengths and specific targets for improvement, while engendering an emphasis on growth and learning from mistakes or misunderstandings in the classroom. Participants will leave with both theoretical strategies/concepts and tangible examples as models.

**Continuing Education/Chapter 14 Hours are Available with District Preapproval**

**Registration is required!**

**ESPA Presidents: Please come or send a representative!**
