

Breakout Session Descriptors Saturday, April 22, 2023

Presenter	Time	Title/Descriptor	Act 48 / Chapter 14 QR Code
<p>Dr. Victoria Rice Campbell Special Education Teacher, Allegheny IU</p> <p>Fran Stewart Special Education Teacher, Carlisle SD</p> <p>SESSION A Room</p>	<p>8:30-10:00 AM</p>	<p><u>SECONDARY TRANSITION AND ALL THE ACCOUTREMENTS</u></p> <p>Let's go beyond education/training, employment, and independent living, and consider all the accoutrements of Secondary Transition. Our learning objectives include the assessment and interview process that informs the transition plan, the influence of interagency services, tailoring the Transition Plan and Grid, addressing complex needs, identifying the roles of student, family, administration, and the state and integrating related services into the transition plan. Bring your splendid ideas to this interactive session, too!</p>	
<p>Jill Schweizer Professor, Delaware Valley University</p> <p>SESSION B Room</p>	<p>8:30-10:00 AM</p>	<p><u>BEYOND READING AND WRITING: FOCUS AND ATTENTION BRAIN RESEARCH AND STRATEGIES</u></p> <p>What are focus and attention? What does this skill look like for individual students? This workshop will delve deeper into focusing skills. The latest research in neurology as well as pharmaceutical interventions will be presented. Individual and group interventions and strategies will be outlined, with the goal of participants being able to use them within their classrooms.</p>	
<p>Chris Cherny Assistant Director, PaTTAN</p> <p>SESSION C Room</p>	<p>8:30-10:00 AM</p>	<p><u>MAXIMIZING SUPPORTS OFFERED THROUGH PATTAN</u></p> <p>Participants will learn of the many resources available through the PaTTAN regional offices and how to engage desired/applicable supports.</p>
