Innovative Teaching Grants

PSEA

invites you to promote excellence in education
by applying for an Innovative Teaching Grant.

PSEA's innovative Teaching Grants recognize PSEA members for their contributions to innovative instructions. Each \$1,000 grant will be awarded to teachers, librarians, instructional teams, pupil personnel services, higher education or student PSEA who fulfill the requirements described on the enclosed pages. PSEA's Council on Instruction and Professional Development will recommend a maximum of four grant winners to the PSEA Board of Directors.

All applications must be submitted by email to kewis@psea.org and received at PSEA by 5 p.m. EST on February 1 of each year.

GRANT APPLICATION INFORMATION

BACKGROUND

The innovative Teaching Grants program was initiated by PSEA in 1972. The program is administered by the PSEA Council on Instruction and Professional Development. Grantees are recognized at the annual PSEA House of Delegates held in May of each year.

SCOPE AND PURPOSE

The Innovative Teaching Grants recognize PSEA members for their contributions to innovative instruction. Projects eligible are those developed by teachers, librarians, educator support professionals, instructional teams, pupil personnel services, higher education or student PSEA.

ENTRANCE STEPS

All of the following criteria must be met for the project to be considered.

- A. Ensure that the applicant(s) is a PSEA member(s) in good standing.
- B. Fully complete application form and professional resume(s).
- C. Scan the documents with original signatures and submit to PSEA in PDF format. (A clear JPEG is also acceptable. If none of these options are available to you, please contact klewis@psea.org.)
- D. **All entries must be received by klewis@psea.org no later than February 1st by 5 p.m. EST of each year.**

PROJECT REQUIREMENTS

All of the following criteria must be met for the project to be considered.

- A. Fully completed application form identifying one primary contact
- B. Fully completed professional resume (for each applicant)
- C. Written evidence of administrative or supervisory support.
- D. Components of the Application Text
 - Project Summary: A separate summary statement of the project in 50 words or less
 - Narrative: A comprehensive narrative of the proposal that must include the following:
 - Objectives
 - Grade or age level of the student group for which the program is designed or explanation if the audience is other than students
 - Number of participants anticipate
 - A statement about the innovative aspects of the project and how it may address closing achievement and opportunity gaps
 - Activities: Brief description of each activity and the way in which each activity will aid in accomplishing the stated objectives.
 - Project Timetable
 - Other Resources: Descriptions and functions of any other supportive services or other resources which will be used.
 - Budget: Itemized costs and final total of project. Specify allocation of grant funds. Address how other non-PSEA grants funds will be used and confirm acquisition.
 - Evaluation: Description of the method(s) that will be used to evaluate project results (rubrics, surveys, checklists, data points, deliverables, etc.)

NOTES OF IMPORTANCE

- *These grants are about innovation. Be sure to envelop your entire project in that concept.*
- *All entries become the property of PSEA and will not be returned.*
- *The PSEA Board of Directors takes final action on the winning entries.*
- *Please be advised that if the check for the Innovative Teaching Grant is made payable to individual award recipients, the amount of the award will be taxable income to those persons according to IRS regulations. If the check for the award is made payable to their school district, it will not be taxable income to the recipients of the award.*
