*Presenter: Jeff Grinaway, UniServ Representative, PSEA Midwestern

You may have heard of Robert’s Rules of Order, and you may know that many organizations throughout the world use them in meetings, but are you using them in your local? A basic understanding of Robert’s Rules can help you run more organized, more efficient, and more effective meetings. This workshop will give you an overview of what the most-often-used rules are in ESP locals, and provide you with valuable tips on how your local’s meetings can be better than ever.
