What Makes Them Tick?

Presenter: Judith Petruzzi, PSEA Director of Education Services

All of our students have different brains, and they learn differently. This session shares some of the latest brain research and discusses strategies for students with a variety of impairments. Based on Eric Jensen's research, we discuss approaches to empower your most frustrating students! **Continuing Education Hours are Available with District Pre-approval**

Workshop topics, dates, and times are subject to change.

Follow-up information will be sent to your local president approximately three weeks prior to the workshops. Prior registration is required for the food count.
