We will again be collecting items for a summer supply drive to benefit Aaron’s Acres. This is a non-profit organization in Lancaster County that offers summer camp to children with special needs. We are requesting conference participants bring an item or items that can be donated to Aaron’s Acres for their use during the summer. Last year’s drive was a huge success and we hope to do even better this year. Additional information and donation suggestions can be found on a flyer with the registration materials.

We look forward to seeing you in April at the conference!
