

A world of opportunity awaits you...

Each year, Student PSEA holds elections for the following **statewide- and region-level positions**:

- **President/President-elect**
- **Vice President**
- **Secretary**
- **PACE Chair**
- **PSEA House of Delegates Student PSEA Representative**

There are also opportunities to be elected as representatives to the **NEA Student Leadership Conference and Representative Assembly in Minneapolis, MN.**

There are **more than 75 positions available** for you to serve and develop as a leader and educator.

If elected as an officer or representative, you may attend meetings and conferences at PSEA's expense. That means paid travel to Harrisburg, Pittsburgh, Philadelphia, or even Minneapolis – not to mention additional opportunities available through NEA! To ensure that you know the process, procedure, and deadlines, check out what you need to know about running for office **BEFORE** the 2018 Student PSEA Conference & Convention!
