My nominee would make a good Olympian because:

- 1) She encouraged me and the class to reach subtraction on Xtra math. I did it.
  - 2) Mrs. Cibellis always shows care and joy to us. She celebrated our great work even if it was easy or not.
  - 3) Mrs. Cibellis had lots of learning competitions for the class. We did car contest, bubble blowing contest and math basketball questions. This brought laughs and us taught as a fun class.
- The picture below illustrates reason number in(3)
