

Power – With 181,000 members, PSEA is the largest and one of the most influential labor unions in the state. Our national affiliate is the largest single union in the nation. Your association will benefit from the tremendous resources that PSEA and NEA can bring to your support - from negotiations and representation at the local level to supporting policies that improve life for our members.

Proximity – PSEA has 14 offices around the state so no matter where you are, your dedicated PSEA representative, along with your advocacy coordinator, your region attorney, and associate staff are always close. This knowledge of and familiarity with your community fosters a better understanding of the challenges specific to your needs. And with PSEA members throughout the state, you can call upon your fellow members from other locals to support your initiatives.

Professionalism – PSEA has over 200 professionals whose full time job is to advocate for the rights and freedoms of our members. Our dedicated staff focuses exclusively on the issues that matter to you and has incomparable experience in representing our members. Combined with the network of colleagues and members throughout the state, we are able to bring power, knowledge, and experience to support our members in every situation.

Solidarity – Commitment – Achievement
