Virtual Will and Healthcare Documents

For many years, PSEA/NEA has provided members with full legal protection in employment-related matters, but in today's complex world, many of us find that we need additional legal and tax saving advice.

The PSEA/NEA has designated Martin Herring as the official provider for drafting wills in your region.

Attorney Herring will be holding virtual and/or telephonic meetings on the dates listed below to provide **document preparation services** for members of PSEA. The "Package" includes a Will, Advanced Health Care Directive, and Durable Power of Attorney.

Included in this program is a free planning kit to advise family and loved ones about your wishes, desires and personal information.
