

SCHOOL BOARD ELECTION TRAINING

Presented by:

PSEA Government Relations Staff

Winning at the Local Level — School Board Election Primer

School Boards make decisions that impact your salary, contract, healthcare and much more. There are many ways that you can help to elect a better school board.

This training provides everything a local needs to know about candidate recruitment, the process to get school board candidates recommended, and how you can assist your campaigns to increase the odds of success.

Midwestern Region Office — Ed Center

Thursday, January 10, 2019
