

On February 25 join lawmakers and PSEA members for a Special Education Roundtable in Southwestern Region!

PSEA has invited lawmakers to hear from YOU about your experiences and ideas for how legislation can support special education teachers, paraprofessionals, related service providers, and students. Participants are encouraged to come prepared to discuss innovative approaches and meaningful supports that would make a difference in daily practice.

Discussion topics include the following:

- Class Size and Caseloads
- Student Behavior
- Federal Policy Impacts
- Least Restrictive Environment
- Educator Safety
