

LEARN-ENGAGE-LEAD

Identifying strong members, strengthening leadership skills and confidence, and ensuring the viability of our organization for years to come.

Goals:

- 1) Placing local associations, PSEA, and NEA in a historical and present context of the labor movement.
- 2) Identify the characteristics of effective leadership and relate them to the role of union leaders.
- 3) Complete a project that helps strengthen your local union.
- 4) Introduction to advocacy and organizing skills to prepare participants to capably fill a leadership role.
