

To demonstrate its commitment to children, public education, and human and civil rights, the PSEA Minority Affairs Committee presents:

# BOOKS, TOYS & MORE

Our annual drive for books, toys, items of warmth, and financial donations

This year's recipients:

- YWCA Bucks County
- OpenedEyes-LENS

Due to the cancellation of the PSEA House of Delegates in December, the Minority Affairs Committee is encouraging FINANCIAL donations to benefit the two groups listed above. Though the donation type has changed, our goal continues to be to help enhance educational opportunities for students.
