**SOLD**

*"Sold" tells the harrowing tale of Lakshmi, a thirteen-year-old girl from Nepal. After devastating Himalayan monsoons destroy her family's crops, her stepfather forces her to take a job as a maid in the city. However, she is sold into prostitution and trapped in the "Happiness House" brothel. Despite the cruelty and exploitation, Lakshmi forms friendships with other girls and learns to read and speak English, gradually gaining strength and hope for her escape.*
